Bob was born in Ohio to Karl J. and Ruth (Hard) Haselmann traveling the country as the child of an Army serviceman. He noted sadly in his diary as they departed his favorite station "Aloha Hawaii".

Bob served in the Air Force and Army, ultimately retiring from the Rhode Island Army National Guard, as a Chief Warrant Officer 4, Instructor Pilot and Base Safety Officer, after 34 years of service to this country. His love of flying, learning to fly as a teenager, guided his career and life choices. He served as an FAA Flight Examiner, Airport Manager of Taunton Airport, and Chief Flight Instructor of King Aviation in Taunton. Bobs inspiration to protect, promote and advance aviation, prompted him to write numerous insightful articles published in various aviation and military magazines. He was the recipient of many awards throughout his career.

As well as being involved in a number of charitable organizations, his love of sports was most evident as he lovingly and tenaciously assisted coaching in his grandchildren's softball and basketball teams.

A devout man of Christian faith he was member of Brockton Assembly of God. Today, he flies not on the wings of a plane but the wings of an angel.

Memorial Visitation will take place on September 15, 2020 from 10:00 AM – 12 Noon followed by a Graveside Service at the Massachusetts National Cemetery at 1:30 PM.
